With her extensive experience in high school chamber choirs and college master chorales, both as a singer and student director, Sheila briefly explores the history of Renaissance music with the choir, then reviews the 7-part acapella piece she composed, "Forever We Shall Be." Choir Directors should familiarize their choir with the piece in advance of this one-week residency. Sheet music will be provided. Sheila will assume the roll of choir director during the residency, working with the choir to perfect the performance of "Forever We Shall Be." The choir will join Sheila and Chris on stage at the end of the 1-week residency to perform "Forever We Shall Be" as part of a Sheila Kirsten Hughes Band concert.
