To Whom It May Concern:

My name is Luke Langston and I run a weekly coffeehouse experience called Elevate. Elevate is a venue designed to provide a place where young adults of the Tampa Bay area can come for live music, great coffee, and a message of spiritual truth. ([www.elevates.net](http://www.elevates.net))

I am proud to say that Sheila Kirsten Hughes and her husband Chris have played multiple times at our venue. Sheila's music always brings a great response from our people. She has a wonderful voice and is very talented on multiple instruments. On top of her musical gifts, Sheila has a very joyful spirit and is a pleasure to work with.

In summary, I would highly recommend her and her music.

Sincerely,

Luke Langston
